Renata Stasiak-Betlejewska

Czestochowa University of Technology
Faculty of Management
Institute of Production Engineering

Address: Armii Krajowej 19B, room 317WZ,
Częstochowa, POLAND
Phone: +48 34 3250 333
E-mail: renatastasiak@wp.pl

Ing. Renata Stasiak-Betlejewska, PhD. is researcher and tutor at Institute of Production Engineering, Faculty of Management, Czestochowa University of Technology in Poland.

ACADEMIC QUALIFICATION:

2011 – 2012 post diploma study “Protection of the intellectual property”, University Centre of Technology Transfer, Warsaw University, Poland

2007-2008 pedagogical studies for tutors, Interdepartmental School of Educating and Improving Teachers, Czestochowa University of Technology, Poland

2003 - 2008 polish PhD. economical science course at Opole Univeristy, (PL),

title of PhD thesis: “The influence of information technologies on development directions of retail banking in Poland

1999 - 2002 Bachelor at Administration, Institute of Law and Administration, Faculty of Economics, Opole University, Opole, Poland, title of bachelor thesis: Electronic payments in the context of European regulations

1995 – 2000 Master and Engineer at Marketing Management in Enterprices, Faculty of Management, Czestochowa University of Technology, Czestochowa, title of Master’s thesis: “Creating the strategy of commercial bank on the example of the Bank Czestochowa”

**MEMBER AND CORPORATE
TRAINER OF PROFESSIONAL
BODIES:**

1. Since 2011 member of WoodEMA International Association for Economics and Management in Wood Processing and Furniture Manufacturing

2. Since 2010 member of The Managers of Quality and Production Association (in Częstochowa)

3. Since 2010 member of EASST The European Association for the Study of Science and Technology

4. Since 2009 member of PTE Polskie Towarzystwo Ekonomiczne (eng. Polish Economic Society)

5. Since 2007 member of INFER International Network for Economic Research

6. Since 2007 member of The Research Cooperative

PROFESSIONAL EXPERIENCE:

2013 Erasmus lectures, University of Zagreb, Faculty of Forestry, Department for Production Organization, Croatia

2013 lectures within Visegrad Standard Grant, Tomas Bata University, Žlin, Czech Republic,

Since 2012 expert of the Education, Audiovisual and Culture Executive Agency in the framework of the management of the Community programs in the fields of education, audiovisual, culture, youth and citizenship

2012 Erasmus lectures, University of SS. Cyril and Methodius, Faculty of Mass Media Communication, Slovakia

2012 lectures within Visegrad Standard Grant, Tomas Bata University, Žlin, Czech Republic

2011 CEEPUS FREEMOVER, University of Zagreb, Faculty of Forestry, Department for Production Organization, Croatia

2011 visiting researcher at Tadeks Fertig Haus company (PL), European Fund Project Competitiveness and Innovation Framework Programme 2007–2013 – CIP

2011 Erasmus lectures, Technical University in Zvolen, Slovakia

2011 lectures within Visegrad Standard Grant, Tomas Bata University, Žlin, Czech Republic

2010 Erasmus lectures, Budapest University of Technology and Economics, Hungary

2010 Erasmus lectures, Univerzita J. E. Purkyně v Ústí nad Labem, Czech Republic

since 2009 journalist of the national woodworking industry journal “Kurier Drzewny”

since X 2006 an academic teacher at Institute of Production Engineering, Faculty of Management,

Czestochowa University of Technology
2000–2006 academic teacher, Institute of Logistics and International Management, Faculty of Management, Czestochowa University of Technology, Poland

2002–2003 academic teacher, Institute of Management, Academy of Jan Dlugosz in Czestochowa, Poland

1999–2000 assistant of the cashier, Bank Częstochowa S. A., Poland.

COURSES AND TRAININGS:

2008 internal auditor ISO 9001 - 2001
6 – 7 XII 2007 Lean workshops – training at the lean management, Technical University of Łódź, Łódź, Poland

IX 1999 Department of Research and Marketing, Bank Częstochowa S. A., Poland
1998 student trainings, ING BSK S.A., Częstochowa, Poland

RESEARCH PROJECTS:

She is a coordinator in some international scientific projects connected with Visegrad Small Grant projects and scientific international research projects since 2010 such as:

1. Visegrad Small Grant, title: The International Scientific Conference "WoodEMA. Visegrad innovations", project No 11310223, amount: 6 000 Euro, 01.05.2013 – 30.09.2013.

2. Visegrad Small Grant, title: The 4th International Scientific Seminar "Toyotarity in the European culture. Visegrad production and services", project No 11230002, amount: 6 000 Euro, 01.12.2012 – 31.01.2013.

3. Visegrad Small Grant, title: The 3rd International Scientific Seminar "Toyotarity in the context of european enterprises improvement" (the Visegrad Group Countries), project No 11130004, amount: 5 000 Euro, 01.12.2011 – 28.02.2012.

4. Project SRDA SK-PL-NEWPROJECT CISC: 50205 – economic and business management, title: Cooperation the international scientific conferences and sciences – research outputs between TU Zvolen and the Czestochowa University of Technology, 01.01.2010 – 31.12.2011.

5. Visegrad Small Grant, title: The 2nd International Scientific Seminar "Toyotarity in the context of european enterprises improvement" (the Visegrad Group Countries), project No 11020163, amount: 5 000 Euro, 01.09.2010 – 30.04.2011.

INTERNATIONAL ACADEMIC ACTIVITY:

Ing. Renata Stasiak-Betlejewska, PhD. is Erasmus coordinator of the Lifelong Learning Programme ERASMUS within the academic cooperation with the following universities in: Slovakia, Czech Republic, Hungary, Bulgaria, Lithuania, Slovenia, Croatia, Italy, Spain, Romania and Turkey. Scholarship CEEPUS Freemover II carried out in the University of Zagreb (Croatia). Contact person in several academic international agreements.

She was a mentor in 50 master and bachelor thesis. She was a reviewer in scientific journal "Strojenská technologie" and "Drvna Industrija".

She was the visiting researcher at Tadeks Fertig Haus company (PL) within European Fund Project Competitiveness and Innovation Framework Programme 2007–2013 – CIP in 2011. She is also cooperates with Croatian Quality Managers (HRVATSKO DRUŠTVO MENADŽERA KVALITETE) since 2011.

She is a co-organizer of international scientific conferences since 2009 (i.e. WoodEMA. Visegrad innovations" in 2013, "Toyotarity" since 2009).

She gave invited lectures for PTE members (Polskie Towarzystwo Ekonomiczne, eng. Polish Economic Society) and for students of higher schools from Silesian region within the Polish Olympiad on Economic Issues Knowledge.

She was awarded with Jubileum award by Rector of Czestochowa University of Technology in 2010, 2011, 2012 and 2013 for her scientific publications and conference organization activity. She was awarded by Memorium letter by Dean of Faculty of Production Technology and Management at Univerzita J. E. Purkyně v Ústí nad Labem (Czech Republic).

RESEARCH PROFILE:

Ing. Renata Stasiak-Betlejewska, PhD. focused research activities on research examination within the following topic: Value engineering in production and service processes in the scope of investment's realization of passive wooden houses building.

Research examination includes economical, social and technical issues especially:

1. Identification and analysis of the production processes management in enterprises acting in the construction industry (enterprises which produce elements for passive (low – energy) wooden houses and elements for houses bases building).

2. Identification and assessment of services designing processes connected with the house projects and its arrangement in accordance to clients needs, requirements, market and law standards.

3. Assessment of public units concerning information and documentation collecting during investment process (office of the building supervision, public city office giving planning permissions of the house and others institutions connected with realization of house investment process).

4. Assessment of bank services connected with mortgage credit for realization of the construction investment process.

5. Improvement proposal of main point in investment process.

6. Problems of standardization and control in investment process.

7. Integration of elements of investment process with Value Engineering methodology applying.

PUBLICATIONS:

Ing. Renata Stasiak-Betlejewska, PhD. is an author or co-author of 253 scientific works in English and Polish (<http://www.bg.pcz.pl/apisnb/>) including: 12 scientific monographies, 10 books, 71 articles edited in the conference proceedings, 5 articles in SCOPUS and 3 in Web of Knowledge. She is a single author of two books (scientific monograph and manual): *Parki technologiczne a atrakcyjność innowacyjna regionów* (2012), *Technology Parks and Innovative Attractiveness of Regions and Enterprises* (2013).

Significant recent publications:

1. Borkowski S., Stasiak-Betlejewska R., Torok A. (2013) Theoretical investigation of supply chain service level in Hungary and Poland, *Transport and Telecommunication* 14 (2) , pp. 93-101

2. Czajkowska A., Kossakowski P., Wciślik W., Stasiak-Betlejewska R. (2013) Application of electron scanning microscope in the analysis of the structure of casting non-conformities aimed at optimization of technological process parameters, *Manufacturing Technology* 13 (2) , pp. 164-169.

3. Borkowski S., Stasiak-Betlejewska R. , Náprstková, N., The Kaizen philosophy in the aluminium products improvement, *Manufacturing Technology*, Volume 11, December 2011, pp. 2-5.
