

COVER LETTER

Subject: Submission of a manuscript for evaluation

Dear Editor,

I am enclosing here with a manuscript entitled "Agreement between referral and discharge diagnoses: analysis by groups of international classification of diseases, x revision" for possible evaluation.

With the submission of this manuscript I would like to disclose the following information about the project:

- All authors state that the above mentioned manuscript has not been published elsewhere, accepted for publication elsewhere or under editorial review for publication elsewhere.
- All authors have offered substantial contribution to conception, design, analysis, interpretation and final approval of the article version submitted for publication.
- All authors state any financial or personal relationship with people, organizations, firms etc., and declare any conflicts of interest.
- The corresponding author state that he had full access to all data of the study and has final responsibility for the decision to submit the paper.

AUTHORS' CONTRIBUTIONS

Natasa Mihailovic, Goran Trajkovic and Sanja Kocic designed the study. Svetlana Ristic and Ivana Simic-Vukomanovic assisted preparing the data collection. Natasa Mihailovic collected data and drafted the manuscript. Goran Trajkovic participated in data analysis and contributed to the manuscript. All authors have read and approved the final manuscript.
