Činiće ga radovi iz oblasti ekonomije, odnosno intendantske i finansijske službe, čime će biti upotpunjena logistička systemska podrška koju *Vojnotehnički glasnik* pruža radi usavršavanja pripadnika svih rodova i službi Ministarstva odbrane i Vojske Srbije. Rubrika *Vojnoekonomski pregled* biće dostupna za saradnju i široj akademskoj zajednici, u skladu sa dosadašnjom uređivačkom koncepcijom *Vojnotehničkog glasnika*.

Vojnotehnički glasnik priređivao je prilog *Vojnoekonomski pregled* od 1953. do 1956. godine.

Nakon toga, *Vojnoekonomski pregled* izlazi kao samostalan časopis od 1957. do 1979 godine, da bi promenio naziv u *Pozadina*, časopis koji je izlazio od 1980. do 1992. godine.

Uredništvo *Vojnotehničkog glasnika* poziva saradnike da svojim naučnim i stručnim radovima za rubriku *Vojnoekonomski pregled* kvantifikuju svoje individualne naučnoistraživačke rezultate. Time će, svakako, doprineti i daljem napretku i uticajnosti *Vojnotehničkog glasnika* – multidisciplinarnog naučnog časopisa Ministarstva odbrane Republike Srbije.

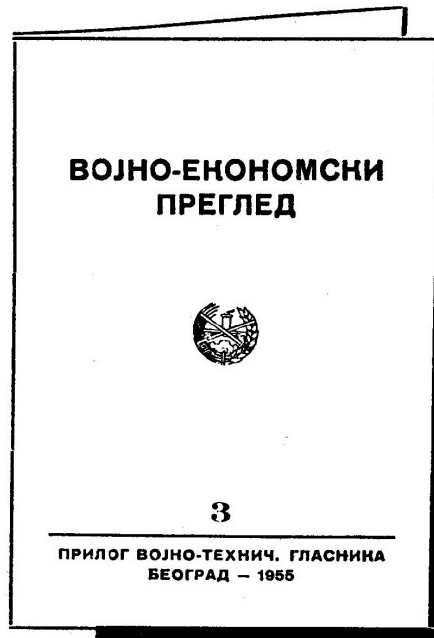

Prvi obnovljeni prilog *Vojnoekonomski pregled* biće objavljen u *Vojnotehničkom glasniku* broj 4/2014.

MILITARY TECHNICAL COURIER REVIVES A SPECIAL SUPPLEMENT MILITARY ECONOMY SURVEY

From 2014, the editorial board of the *Military Technical Courier* resumes the editing and publishing of a special supplement-section entitled *Military Economy Survey*.

This supplement is going to be published annually, in issue No4 (October-December) in every volume of the *Military Technical Courier*. Contributions from the field of economy, namely quartermaster and financial service, will add value to the logistics system support offered by the *Military Technical Courier* to the members of all branches and services of the Ministry of Defence and the Army of Serbia. The *Military Economy Survey* section will also be open to contributions from academic circles, in line with the editing conception of the *Military Technical Courier*.

After being published as a supplement in the *Military Technical Courier* from 1953 to 1956, the *Military Economy Survey* used to be issued as an independent publication from 1957 to 1979 when it changed the title into *Logistics* and continued to appear until 1992.

The editorial board of the *Military Technical Courier* calls contributors to quantify their individual scientific and research results with their scientific and professional papers in the *Military Economy Survey* section. This will also help toward further improvement and influence of the *Military Technical Courier* – multidisciplinary scientific journal of the Ministry of Defence of the Republic of Serbia.

The first renewed *Military Economy Survey* supplement is to be issued in No4/14 of the *Military Technical Courier*.
